

BLACKOUT

WILL YOU SURVIVE IT?

THE CITY HAS FALLEN INTO DARKNESS. THERE'S NO SIGN OF ORGANIC LIFE.

THE AMBIENT GIVES YOU THE CHILLS AND EVERY LIGHT IS FLICKERING.

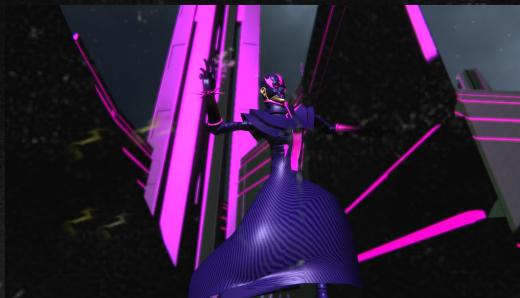

A BLACKOUT IS APPROACHING, AND DEATH COMES WITH IT.

GENRE: Platform-adventure

TARGET PLATFORM: Windows PC

NUMBER OF PLAYERS: Single-player

CAMERA PERSPECTIVE: First-person

GAME SETTING: uninhabited city controlled by AI in an alien world (inspired by The Illustrated Man)

GAME PLOT: You're playing Xhama, a crash-landed explorer with tattoos of unknown origin. Those will help you along the way, make good use of them as you must prevent The City of destroying all human race.

XHAMA

The main character, destined to prevent the human race from falling into the hands of its AI enemy: **The City**.

THE CITY

Controlled by AI forces, its intent is to destroy every living organism, transforming them into its subjects.

TATTOOS

Nordic symbols will help Xhama on his journey to fight against **The City**. Light driven, they'll illuminate your way.

ENEMIES

Subjects of the city will come after human flesh to regain power and give energy back to **The City**. Run.
